# Unity Loom

ThreadsOfUnity,Woven in Quiet Strength

This collection reflects what it means to *find strength in connection.*

Not in symmetry, but in *harmony.*

Not in sameness, but in *support.*

Inspired by the gentle power of *being part of something greater*, this collection honours each distinct piece.

Like pieces patched together with care, the textiles carry this spirit: layered, textured, beautifully imperfect. What once stood apart now leans in softly, surely becoming stronger together.

*Unity isn't loud.*

It's felt in the way we show up, hold space,  
and come together..

no thread can carry the  
weight alone.

A photograph of a woman with voluminous, curly brown hair. She is leaning her head against the shoulder of another person whose shoulder and part of their back are visible on the left. The person she is leaning on is wearing a patterned, multi-colored vest over a light-colored shirt. The background is plain white.

so we come as many,  
aligned for something greater.
